Iridium Monthly Account Airtime Agreement

Please fill in <u>ALL</u> sections and email back <u>ALL</u> pages to your dealer

Section 1: Pricing 140 – All Prices in USD(\$)					
	com/torms and	conditions for f	ull terms and so	nditione	
AST Service Fee - Please refer to www.ast-networks.com/terms-and-conditions for full terms and conditions					
Providing instant access to our industry-leading services including a 24 x 7 manned Global Customer Support desk; and					
our intuitive and powerful self-service web Portal, My AST Portal, your gateway to managing your services with us.					
Monthly Fee				\$0.75 per mont	
onsatmail - Minimum Contract Term – 1 month			Т	ick if required	
onsatmail is an email service for use over satellite conr	ections. Using a	specialised data t	ransfer protoco	designed for data	
transmission over low bandwidth, it reduces connectio	n time and uses	compression to p	rovide a fast and	reliable solution	
The software is free of charge, but there is a monthly s	ervice access fee	2.			
Monthly Fee				\$15.00 per montl

 Services activated mid month will be billed as a standard plan and will 	be added to the DSG in line with the bill	run. No ETF or new minimum period
will apply. • There is no rollover of unused allowance.		
 The minimum term for a DSG is 12 months, the Early Termination Fee in the DSG). 	is equal to the Monthly Subscription mu	Inplied by 5 (Minimum number of Silvis
 Each SIM card has the standard ETF SIM card rules, as per the Minimu 	m Contract Period above. After the Mini	mum Contract Period is completed
they can be moved in/out of the DSG with no penalty.		
 A DSG can be upgraded. No ETF will apply for upgrading a DSG but a ne 	w Minimum Contract Period starts.	
 DSG's can be used for single organisations such as a Fleet, a Governme 		across multiple end users or
organisations.		
Please create a DSG based on the above data selection DSG	Name:	
Please add to my existing DSG DSG	Name:	
Post Pay Plans - 2022 that are being maintained- Minimum Contrac	t Period 3 Month	Price
Activation Fee		\$20.00
Crew 10 – Voice and Circuit Switched (CS) Data (with or without RUDICS)	
Includes 10 voice/data minutes (excluding calls to other satellite networ	ks) and 10 SMS's included free in the mo	nthly
subscription. This applies to standard voice and data connections only. T	nere is no roll over of unused minutes/SM	AS's. This plan is \$65.25
for new activations only, SIM cards cannot be package changed to this p	lan. (Connections prior to November 20′	14 will have the
same monthly fee with no voice/data minutes or SMS included).		
Out of Allowance/Overage/Standard call rates (Per Minute)		Price
Fixed (PSTN/Cellular) – Voice and Circuit Switched Data		\$1.44
RUDICS (Data)		\$1.00
Fax		\$1.00
Iridium (including Voicemail)		\$0.83
Iridium – Data		\$1.44
Other Satellite Services		\$12.99
+1 Access		\$2.11
2-Stage Dialling		\$1.89
		\$1.65
Short Message Service (SMS) (Mobile Originated) Short Message Service (SMS) (Mobile Originated)		\$0.46
Applies to standard voice and data activations from 1 st November 2014	and 150 hundles from 15 th July 2015 and	v, outside of the \$0.09
	and 150 bundles nonn 15 july 2015 onn	y, outside of the \$0.09
SMS's included in the monthly subscription fee.		
Notes all plans		
• The day of activation is the first day of the minimum contract period.		
 Monthly subscription charges are prorated in the month of activation, 	are charged in advance and will be charg	ged a full billing month on deactivation
regardless of what date in the month the service is deactivated.		
 The full month charge/allowance will only apply if activated at the sta 	rt of a billing period.	
 If an activation is made in the middle of a billing month both the subsc 	ription fee and allowance are prorated.	
 A service can be upgraded at any time or in line with the next billing p 	eriod. A new minimum period will apply o	nce upgraded. For mid-month
upgrades, the initial package will remain chargeable and the new subscr	iption and allowance will be prorated.	
 Any changes to plans (including moving SIMs into a DSG) will result in 	a new minimum term. SIMs can only be r	moved into a DSG in line with the
billing period.		
 All monthly subscriptions will be billed during periods of suspension. 		
A Crew SIM is a SIM card with 697 in the SIM number (898816970000	00****), these SIM cards can be used wit	h the crew calling scratch cards. These
SIM cards cannot be activated with the new 2023 plans.		
Billing Minimum/Increments		
Call Type	Minimum Duration	Billing Increment
